Enroll in the Florida Kiwanis – CKI Mentorship program to become a mentor or mentee to share experiences, provide insights and perspectives into various careers, and promote personal development. The Mentorship Program will match Kiwanis members with CKI members who share similar academic backgrounds, professional interests and career fields.

The time commitment is one full school year (September-May) with a minimum contact of one time per month. Webinars and monthly resources will be provided to help guide mentors and mentees through the program.
