

KIWANIS HEALTH PROTOCOLS

Please note the following COVID-19 Prevention/Health and Safety Measures:

Kiwanis International and the Florida District of Kiwanis have adopted the meeting guidelines of the World Health Organization (WHO) and the U.S. Centers for Disease Control and Prevention (CDC). We intend to meet or exceed every rule for pre-meeting testing and preparation, follow guidelines for suggested spacing and social distancing during meals and meetings, and offer limited access to only those individuals who need to attend.

- All attendees must attest that they have been fully vaccinated as defined by the CDC --"Fully vaccinated" means you have received the complete vaccine regimen (2 shots for Pfizer and Moderna, 1 shot for Johnson and Johnson), and 14 days or more has passed since your final shot, **OR** you have tested for COVID-19 and received a negative test result within 5 days of the first day that the attendee will be attending meetings.
- All attendees attending the meetings shall sign a waiver of COVID-19 claims.
- Any attendee who has tested positive for COVID-19 is prohibited from attending the meetings unless they provide proof of two negative tests since contracting COVID-19.
- Any attendee who is not fully vaccinated and has been knowingly exposed to an individual who is positive for COVID-19 within 14 days prior to the meetings is prohibited from attending the meetings.
- All attendees agree to undergo a temperature test prior to the beginning of any of the meetings. Any attendee who has a temperature in excess of 100.3 degrees Fahrenheit will be excluded from attending the meetings in person.
- All attendees agree to wear face coverings while attending the meetings. They will not be required during meals.
- All attendees agree to abide by strict social distancing protocols established by the hotel and Kiwanis at the meetings.
- All attendees agree to regularly wash their hands. Hand sanitizer will be supplied at the meetings.
